

**CURRICULUM VITAE****Paul Christian McCormick, M.D., M.P.H., FACS*****Date of Preparation:*** August 1, 2008***Personal Data:***

Born: January 7, 1956  
Birthplace: Washington, DC  
Health: Excellent  
Married: 3 Children  
Citizenship: USA

***Academic Training:***

1970 - 1974 Georgetown Preparatory School

1974 - 1978 Columbia College, Columbia University  
BA – English- 05/78

1978 - 1982 College of Physicians and Surgeons  
Columbia University  
MD- 05/82

1998 – 2000 Columbia University  
School of Public Health  
Executive Masters of Public Health (MPH) In  
Health Services Management/Clinical Effectiveness & Outcomes  
MPH- 10/00

***Traineeship:***

Intern in General Surgery (July 1982 - June 1983)  
Columbia Presbyterian Hospital  
New York City

Medical Staff Fellow (July 1983 to June 1984)  
National Institutes of Health  
Surgical Neurology Branch

Neurosurgical Residency (July 1984 to June 1989)  
New York Neurological Institute

Spinal Surgery Fellowship (July 1989 to June 1990)  
Medical College of Wisconsin

**Board Certified 5/93:**

American Board of Neurological Surgery – 93042

**Academic appointments:**

Assistant Professor of Clinical Neurosurgery Department of Neurological Surgery College of Physicians & Surgeons Columbia University	07/90 to 06/95
Associate Professor of Clinical Neurosurgery Department of Neurological Surgery College of Physicians & Surgeons Columbia University	07/95 to 06/01
Professor of Clinical Neurosurgery (Tenure of Title) Department of Neurological Surgery College of Physicians and Surgeons Columbia University	07/01 to 07/06
Herbert and Linda Gallen Professor Department of Neurological Surgery College of Physicians and Surgeons Columbia University	07/06 to Present

**Hospital appointments:**

Assistant Attending Presbyterian Hospital in the City of New York	07/90 to 06/95
Associate Attending Presbyterian Hospital in the City of New York	07/95 to 06/01
Attending New York Presbyterian Hospital	07/01 to Present
Medical Director Columbia-Presbyterian Comprehensive Spine Center	07/01 to Present
The Valley Hospital, Ridgewood, NJ	07/90 to Present

***Professional organizations and societies:***

American Academy of Neurological Surgeons  
 American Association of Neurological Surgeons (AANS)  
 Congress of Neurological Surgeons (CNS)  
 Society of University Neurosurgeons (SUNS)  
 Faculty American College of Surgeons (FACS)  
 The Society of Neurological Surgeons  
 American Medical Association  
 New York State Neurosurgical Society  
 Medical Society of the State of New York  
 New Jersey State Neurosurgical Society  
 Bergen County Medical Society  
 Wisconsin State and Milwaukee County Medical Society

***Committee Appointments/Elections:***

Spine Task Force (David Kelly, M.D., Chairman) - 1992 to 1993

Scientific Program Committee - Annual Meeting Congress of  
 Neurological Surgeons, Vancouver, 1993

Poster Committee Chairman - Annual Meeting Congress of  
 Neurological Surgeons, Vancouver, 1993

Scientific Program Committee - Annual Meeting Joint Section on  
 Disorders of the Spine and Peripheral Nerves, Fort Lauderdale,  
 1994

Poster Committee - Annual Meeting Congress of Neurological  
 Surgeons, Chicago, 1994

Membership Committee - Congress of Neurological Surgeons,  
 1993-1998

Executive Committee - Member-at-large - Congress of  
 Neurological Surgeons - 1995 - 1998

Chairman, Membership Committee - Congress of Neurological Surgeons  
 1995-1998

Scientific Program Committee - Annual Meeting American  
Association of Neurological Surgeons (AANS) 1997-2000

Scientific Program Committee - Annual Meeting Congress of  
Neurological Surgeons, New Orleans – 1997

Scientific Program Committee - Annual Meeting Joint Section  
Disorders of the Spine and Peripheral Nerves – 1997

Steering Committee - Consortium for Spinal Cord Injury  
Medicine Clinical Practice Guidelines – 1997

American Association of Neurological Surgeons  
Pedicle Screw Task Force - 1996-1997

Joint Spine Section Task Force - Guidelines for Lumbar  
Spine Fusion – 1997

Society of University Neurosurgeons (SUNS) – 1997

Joint Council of State Neurological Societies (JCSNS)  
CNS representative - 1995-1998

Liaison Committee Chairman, American Association of Neurological  
Surgeons/American Academy of Orthopedic Surgeons 1996-1998

Chairman, Outcomes Subcommittee, Joint Section on Disorders of the Spine  
and Peripheral Nerves - 1996 – 2000

Education Subcommittee, Joint Section on Disorders of the Spine and  
Peripheral Nerves – 1997- 2001

Executive Committee – Member at Large – Joint Section on  
Disorders of The Spine and Peripheral Nerves – 1996-1998

Vice President, Congress of Neurological Surgeons (CNS) – 1998-1999

American Academy of Neurological Surgeons – 1998

Executive Committee, Society of Practitioners of the Columbia  
Presbyterian Medical Center – 1998-2000

Chairman – Elect AANS/CNS Joint Section on Disorders of the Spine and Peripheral Nerves – 2000-2001

Chairman – AANS/CNS Joint Section on Disorders of the Spine and Peripheral Nerves – 2001-2002

Board of Directors – Musculoskeletal Education and Research Institute 1999 – Present

Chairman – Scientific Program Committee – Annual Meeting American Association of Neurological Surgeons 1999-2000

Nominating Committee – Congress of Neurological Surgeons 2000-2002

Medical Advisory Board – The Alan T. Brown Foundation to Cure Paralysis 2001 - Present

Board of Directors – American Association of Neurological Surgeons 2002-2005

Society of Neurological Surgeons – 2002

Fellowship Review Committee, Committee on Accreditation for Subspecialty Training (CAST) – 2002

Director- American Board of Neurological Surgery 2004-2009

Treasurer- American Board of Neurological Surgery 2007-2009

AANS Development Committee 2004-Present

AANS Education and Maintenance of Certification Committee 2004-Present

AANS Digital Technology Committee 2006

FDA Orthopedic and Rehabilitation Device Panel- Voting member 2006-Present

Board of Directors- Executive Committee (Treasurer)- American Association of Neurological Surgeons (2007-2010)

AANS Corporate Task Force 2007-Present

AANS Distinguished Service Award Committee 2007-Present

AANS Finance Committee, Chair 2007- Present

AANS Long Range Planning Committee 2007- present

AANS National Research and Education Foundation (NREF), ex-officio 2007-Present

Senior Advisory Committee Joint AANS/CNS Spine Section 2008

***Other professional activities:***

Editorial Board – **Neurosurgery** Journal 1994 - Present

Section Editor – Topic Reviews, **Neurosurgery** Journal 1996 - 2006

Editorial Board – **Journal of Neurosurgery** 2001 - Present

Editorial Board – **Journal of Neurosurgery: Spine** 2001 – Present

Editorial Board- Chairman, **Journal of Neurosurgery: Spine** 2007-2008

Editorial Board – **Spine**: Associate Editor 2000 – 2005, Deputy Editor 2005-Present

Editorial Board – **The Spine Journal** (Official Journal of the North American Spine Society)  
2000 – Present

Editorial Board – **Contemporary Reviews** – North American Spine Society 2001 – Present

Editorial Board- **Journal of Neuro-Oncology** 2008-Present

Reviewer – **Surgical Neurology** 2000 – Present

Reviewer- **Cancer** 2007

Reviewer- **Journal of Neuro-Oncology** 2007-2008

Consulting Editor- **Neurosurgery Clinics of North America** (Elsevier, Inc.) 2003- Present

***MD licensure:***

New York State	154934
Wisconsin	30317
New Jersey	54630

***DEA registration:*** BM1753157

***New Jersey CDS:*** D52192

***Grants:***

- 1.) Prospective multicenter study of lumbar disc herniation, Principle Investigator, \$20,000 William F. Bradley Foundation, December 1999.
- 2.) Prospective multicenter study of lumbar disc herniation, Principle Investigator, \$20,000 William F. Bradley Foundation, December 2000.
- 3.) Prospective randomized study of surgery vs. non-operative management of lumbar spinal stenosis, Principle Investigator, \$20,000 William F. Bradley Foundation, December 2003.
- 4.) Prospective randomized study of surgery vs. non-operative management of lumbar spinal stenosis, Principle Investigator, \$60,000 American Association of Neurological Surgeons, Congress of Neurological Surgeons, Joint Spine Section, 2003.

***Technology Development:***

Sofamor Danek: Zephir Titanium Cervical Plate. Co-Developers: Paul McCormick, Richard Assaker

***Other Research Activity:***

Safety Officer: Grant #R21AR47120 Radiotherapy to Prevent Fibrosis after Lumbar Laminectomy. Principal Investigator – Peter Gerszten, University of Pittsburgh

Principle Investigator: AANS/CNS Joint Spine Section Multicenter Study of Lumbar Disc Herniation, 1999 – 2001

Principle Investigator: AANS/CNS Joint Spine Section Prospective Randomized Study Comparing Surgery to Non-operative Management of Lumbar Spinal Stenosis, 2003 - Present

Principle Investigator: Fusion Rates after Anterior Cervical Discectomy and Fusion with a Low-Profile Anterior Cervical Plate. Columbia # IRB – AAA0700. 2003- Present

Principle Investigator: A Comparative Evaluation of Human Thrombin Versus Bovine Thrombin in Achieving Hemostasis in Patients Undergoing Cardiovascular, Neurologic (Spine), and General Surgery Procedures. Ethicon/Johnson and Johnson, Protocol #400-04-005, Columbia # IRB-AAAB2034, 2003

Investigator: Randomized, Third-Party Blinded, Multicenter Clinical Trial to Determine the Safety and Effectiveness of Oxiplex S/P Gel for the Reduction of Pain and Symptoms Following Lumbar Disc Surgery. FzioMed Protocol FZ-SP002, 2003-Present

Investigator: A Prospective, Multi-Center, Randomized Controlled Study to Compare the Spinal Sealant System as an Adjunct to Sutured Dural Repair with Standard of Care Methods During Spinal Surgery. Confluent Surgical Protocol # DRS-05-001 WIRB Protocol #20051069, WIRB Study # 1070650, 2005-Present

***Honors & Awards:***

Harvey Nova Outstanding Resident Award – 1988

Award for Academic Excellence (Highest grade point average Executive MPH graduating class)  
Columbia University School of Public Health 10/2000

America's Top Doctors – 2001. Castle Connolly Medical, Ltd.

Best Doctors in New York – 2001. New York Magazine

America's Top Doctors – 2002. Castle Connolly Medical Ltd.

Best Doctors in New York – 2002. New York Magazine

America's Top Doctors –2003. Castle Connolly Medical Ltd.

Best Doctors in New York – 2003. New York Magazine

America's Top Doctors –2004. Castle Connolly Medical Ltd.

Best Doctors in New York – 2004. New York Magazine

America's Top Doctors –2005. Castle Connolly Medical Ltd.

Best Doctors in New York – 2005. New York Magazine

America's Top Doctors –2006. Castle Connolly Medical Ltd.

Best Doctors in New York – 2006. New York Magazine

America's Top Doctors –2007. Castle Connolly Medical Ltd.

Best Doctors in New York – 2007. New York Magazine

Columbia University John Jay Award for professional achievement- 3/2007

***Invited Book/Supplement Forward/Preface:***

1. Lumbar Interbody Fusion Techniques. Haid RW, McLaughlin MR, Fessler RG (eds): Quality Medical Publishing, St. Louis, pp. xi-xii, 2003.
2. Spinal Cord Injury Guidelines. Neurosurgery 50S: Sii – Siii, 2002.
3. Minimally Invasive Surgery of the Spine. Neurosurgery 51S: S2v-vi, 2002.
4. Cervical Spondylosis. Neurosurgery 60S:S1-4, 2007.

***Book Reviews:***

1. Postoperative Complications of Extracranial Neurological Surgery. *Neurosurgery* 21:1958, 1987.
2. Diagnosis and Management of Disorders of the Spinal Cord. *Neurosurgery* 40:416-417, 1997.
3. Posterior Cervical Surgery. *Neurosurgery* 43:1250-1251, 1998.

***Abstracts - invited presentations:***

1. Blasberg R, McCormick PC, Wright D: Reversible Blood Brain Barrier Disruption Following Intra-Carotid Infusion of Dimethyl Sulfoxide. Presented at the XII International Symposium on Cerebral Blood Flow and Metabolism. Ronnenby, Sweden 6/16 - 6/20, 1985.
2. McCormick PC, Michelsen WJ: Management of Spinal Cord Arteriovenous Malformations. Presented at the 3rd Annual Joint Section on Disorders of the Spine and Peripheral Nerves. Boca Raton, Florida 1/14 - 1/17, 1987.
3. McCormick PC, Post KD: Surgical Management of Sacral Tumors. Presented at the 13th Annual Lende Winter Neurosurgical Conference. Snowbird, Utah 1/31 - 2/7, 1987.
4. McCormick PC, Post KD: Cavernous Malformations of the Spinal Cord. Presented at the 14th Annual Lende Winter Neurosurgery Conference. Snowbird, Utah 1/30 - 2/6, 1988.
5. McCormick PC, Stein BM: Management of Spinal Ependymoma. Presented at the 4th Annual Joint Section of Disorders of the Spine and Peripheral Nerves. Phoenix, Arizona 2/16 - 2/20, 1988.
6. Muraszko K, Carmel PW, Swift D, McCormick PC: Tethered Spinal Cord. Presented at the 4th Annual Joint Section on Disorder of the Spine and Peripheral Nerves. Phoenix, Arizona 2/16 - 2/20, 1988.
7. McCormick PC, Stein BM, Michelsen WJ: Cavernous Malformation of the Central Nervous System: Report of 58 Operated Cases. Presented at the 41st Annual Meeting of the Neurosurgical Society of America. Hotsprings, Virginia 4/5 - 4/9, 1988.
8. McCormick PC, Bello JA, Post KD: Trigeminal Schwannoma: Clinical Series of 14 Patients and Review of the Literature. Poster Presentation at the Annual Meeting of the AANS. Toronto, Canada 4/24 - 4/28, 1988.

9. Muraszko K, Carmel PW, Swift D, McCormick PC: Tethered Spinal Cord: Clinical Presentation, Neurologic Findings, Intraoperative Evoked Potential Monitoring, and Surgical Outcome. Presented at the Annual Meeting of the AANS. Toronto, Canada 4/24 - 4/28, 1988.
10. McCormick PC, Michelsen WJ, Stein BM: Cavernous Malformations of the Central Nervous System. Presented at the Annual Meeting of the AANS. Toronto, Canada 4/24 - 4/28, 1988.
11. McCormick PC, Post KD: Trigeminal Schwannomas. Presented at the 6th International Symposium on Neurological Surgery of the Ear and Skull Base. Zurich 5/28 - 6/2, 1988.
12. McCormick PC, Stein BM: Spinal Ependymoma: Evaluation of Recovery Following Complete Removal. Presented at the 6th Annual Stonwin Medical Conference. Westchester, New York 7/9 - 7/11, 1988.
13. McCormick PC, Stein BM: Cavernous Malformations of the Spinal Cord. Presented at the 6th Annual Stonwin Medical Conference. Westchester, New York 7/9 - 7/11, 1988.
14. McCormick PC, Solomon RA, Michelsen WJ, Stein BM: Treatment Strategies in Patients with Coexistent Arterial Aneurysms and Arteriovenous Malformations. Poster Presentation at the Annual Meeting of the Congress of Neurological Surgeons. Seattle, 9/24 - 9/28, 1988.
15. McCormick PC: Intramedullary Tumors. Grand Rounds. Department of Neurosurgery, Columbia University College of P & S. 10/1988.
16. McCormick PC: Management of Cervical and Lumbar Discitis. Luncheon Seminar Panelist at the Annual Meeting of the Congress of Neurological Surgeons. Atlanta, 10/28 - 11/2, 1989.
17. McCormick PC: Primary and Secondary Tumors of the Spine. Seminar Panelist – Annual Meeting of the Congress of Neurological Surgeons. Los Angeles, 10/20 - 10/25, 1990.
18. McCormick PC: Lumbar Stenosis. Patient Selection and Operative Techniques. Seminar Panelist - Annual Meeting American Association of Neurological Surgeons. New Orleans, 4/20-4/25, 1991.
19. McCormick PC: Pitfalls in Cervical Spine Surgery. Seminar panelist. Annual Meeting of the Congress of Neurological Surgeons. Orlando, 10/91.

20. McCormick PC: Surgical Approach to the Thoracic Spine. Seminar panelist. Annual Meeting of the American Association of Neurological Surgeons. San Francisco, 4/92.
21. McCormick PC: The Lateral Extracavitary Approach to the Thoracic and Lumbar Spine. Honored guest lecture. The 43rd Annual Meeting of the Portuguese-Spanish Neurosurgical Society. Estoril, Portugal. 5/20/92 to 5/23/92.
22. McCormick PC: Intramedullary Tumors of the Spinal Cord. Honored guest Lecture the 43rd Annual Meeting of the Portuguese-Spanish Neurosurgical Society. Estoril, Portugal. 5/20/92 to 5/23/92.
23. McCormick PC: Spinal Instrumentation. Honored guest lecture the 43rd Annual Meeting of the Portuguese-Spanish Neurosurgical Society. Estoril, Portugal. 5/20/92 to 5/23/92.
24. Lustgarten J, McCormick PC: Spinal Epidural Lipomatosis. Poster presentation. Annual meeting of the American Association of Neurological Surgeons. San Francisco, 4/92.
25. Cunha e Sa MJ, Stein BM, Solomon RA, McCormick PC: The Treatment of Associated Intracranial Aneurysms and Arteriovenous Malformation. Poster presentation at the annual meeting of the American Association of Neurological Surgeons. San Francisco, 4/92.
26. McCormick PC: Complex Spine Instrumentation. Invited Lecturer. New Jersey Neurosurgical Society 6/92.
27. McCormick PC, Stein BM: Surgical Management of High Cervical and Cervicomedullary Spinal Cord Tumors. Presented at the American Academy of Neurological Surgery. Naples, Florida. 10/92.
28. McCormick PC: Spinal Infections. Seminar panelist. Annual Meeting of the American Association of Neurological Surgeons. Boston, 4/93.
29. McCormick PC: The Challenge of Spinal Column Neoplasms. Seminar panelist at the Annual Meeting of the American Association of Neurological Surgeons. Boston, 4/93.
30. McCormick PC: The Anatomic Basis of Intradural Spinal Surgery. Plenary Session. Congress of Neurologic Surgeons. Vancouver, 10/93.
31. McCormick PC: Intramedullary Spinal Cord Tumors. Seminar panelist. Congress of Neurologic Surgeons. Vancouver 10/93.

32. McCormick PC: The Indications and Techniques of Lumbar Spine Fusion. Seminar panelist. AANS annual meeting. San Diego, 4/94.
33. McCormick PC: Intramedullary Spinal Cord Tumors. Seminar panelist. Congress of Neurological Surgeons. Chicago, 10/94.
34. McCormick PC: Lumbar Spine Instability. Academy of Neurological Surgeons. Sea Island, GA 11/94.
35. McCormick PC: Comparison of Instrumented and Noninstrumented Fusions of the Lumbar Spine. Joint Section Spine and Peripheral Nerve. Phoenix, AZ 2/95.
36. McCormick PC: Lumbar Spine Instability. Seminar panelist. Annual Meeting American Association of Neurological Surgeons. Orlando, FL 4/95.
37. McCormick PC: Management of thoracolumbar fractures: Seminar panelist. American Association of Neurological Surgeons 4/96.
38. McCormick PC: Extrapleural Approaches to the Anterior Thoracic and Thoracolumbar Spine. Honored Guest presentation at the Annual Portuguese Neurological Society Meeting. Lisbon, 5/96.
39. McCormick PC: Intramedullary Spinal Cord Tumors. Honored Guest presentation at the Annual Portuguese Neurological Society Meeting. Lisbon, 5/96.
40. McCormick PC: Criteria for patient selection: Degenerative Lumbar Instability. General Scientific Session - Annual Meeting Congress of Neurological Surgeons. Montreal, Canada 9/96.
41. McCormick PC: Sagittal Balance: Surgical Techniques and Considerations. Special Course. Annual Meeting Congress of Neurological Surgeons. Montreal, Canada 9/96.
42. McCormick PC: Management of Spinal Canal Tumors. Seminar panelist. Annual Meeting Congress of Neurological Surgeons. Montreal, Canada 9/96.
43. McCormick PC: Surgical Approaches to the Thoracic Spine. Invited Lecturer. Albert Einstein College of Medicine, Department of Neurosurgery 3/97.
44. McCormick PC: Management of Dumbbell and Paraspinal Tumors of the Spine. Seminar Panelist. Annual Meeting American Association Neurological Surgeons. Denver, Colorado, 4/97.

45. McCormick PC: Surgical Exposure and Stabilization of the Cervico-thoracic Junction and Thoracic Spine. Seminar Moderator. Annual Meeting American Association of Neurological Surgeons. Denver, Colorado, 4/97.
46. McCormick PC: Anterior and Anterolateral Approaches to the Spine: Seminar panelist/moderator. Annual Meeting Congress of Neurosurgical Surgeons, New Orleans, 9/97.
47. Birch BD, McCormick PC: Surgical Management of Dumbbell and Paraspinal Tumors of the Thoracic and Lumbar Spine. Abstract. Annual Meeting Congress of Neurological Surgeons, New Orleans, 9/97.
48. Birch BD, Kaiser MG, McCormick PC: Surgical Management of Dumbbell Tumors of the Cervical Spine. Abstract. Annual Meeting Congress of Neurological Surgeons. New Orleans, 9/97.
49. McCormick PC: Surgical Exposure of the Anterior Thoracic and Lumbar Spine. Seminar Moderator. Annual Meeting American Association of Neurological Surgeons 4/98.
50. McCormick PC: Intraoperative Complications of Surgical Exposures of the Cervical Spine. Invited Presentation. 3rd Annual Indiana Spine Trauma Symposium. Indianapolis, 5/98.
51. McCormick PC: Post Traumatic Thoracolumbar Kyphosis - Management Options. Invited Presentation. 3rd Annual Indiana Spine Trauma Symposium. Indianapolis, 5/98.
52. McCormick PC: Management of Sagittal Plane Deformities. Invited Presentation. Annual Meeting Congress of Neurological Surgeons, Seattle, 10/98.
53. McCormick PC: Adjuvant Therapies for Spinal Cord Tumors. Invited Presentation. Annual Meeting Congress of Neurological Surgeons, Boston, 10/99.
54. McCormick PC: Outcomes Assessment for Spinal Surgery. Seminar Speaker. Annual Meeting Congress of Neurological Surgeons, Boston, 10/99.
55. McCormick PC: Treatment Strategies for Spinal Cord Tumors. Seminar Speaker. Annual Meeting Congress of Neurological Surgeons, Boston, 10/99.
56. Frandina RL, Fiore AJ, McCormick PC, et al: PTEN Mutations in Spinal Cord Ependymomas Abstract. Annual Meeting Congress of Neurological Surgeons, Boston, 10/99.

57. McCormick PC: Intramedullary Tumors of the Spinal Cord. Invited Lecture. Department of Neurosurgery. Henry Ford Hospital, Detroit, 3/2000.
58. McCormick PC: Management of Intramedullary Spinal Cord Pathology from a Neurosurgical Perspective. Grand Rounds, Department of Neurosurgery, Columbia University College of P & S, 4/2000.
59. McCormick PC: Complications of Complex Spine Surgery: Lessons Learned. Seminar Moderator. Annual Meeting, American Association of Neurological Surgeons, San Francisco, 4/2000.
56. McCormick PC: Invited Discussant: Surgical Treatment of Intramedullary Spinal Cord Tumors. Annual Meeting, American Association of Neurological Surgeons, San Francisco, 4/2000.
57. McCormick PC: Outcomes Assessment for Spinal Surgery. Seminar Moderator. Annual Meeting, Congress of Neurological Surgeons, San Antonio, 9/2000.
58. McCormick PC: Treatment Strategies for Spinal Cord Tumors. Seminar Speaker. Annual Meeting, Congress of Neurological Surgeons, San Antonio, 9/2000.
59. McCormick PC: The Need for Outcomes Studies: What Are We Doing In Neurosurgery? Invited Speaker. Annual Meeting, Congress of Neurological Surgeons, San Antonio, 9/2000.
60. McCormick PC: Management of Intradural Tumors. Invited Speaker. Annual Meeting, Congress of Neurological Surgeons, San Antonio, 9/2000.
61. McCormick PC: The Anatomy of Intradural Spinal Surgery. Invited Lecturer. Johns Hopkins University Department of Neurosurgery, 1/11/01.
62. McCormick PC: Case Discussions – Cervical. Seminar Moderator. Seventh Annual International Course on Total Spine: Advanced Concepts and Constructs, Cancun, 3/2001.
63. McCormick PC: Anterior Cervical Plating Workshop. Course Instructor. Seventh Annual International Course on Total Spine: Advanced Concepts and Constructs, Cancun, 3/2001.
64. McCormick PC: Complications of Complex Spine Surgery. Seminar Moderator. Annual Meeting American Association of Neurological Surgery, Toronto, 4/2001.
65. McCormick PC: Cervical Challenges. Panel Member. 8<sup>th</sup> International Meeting, Advanced Spine Techniques (IMAST). Bahamas, 7/2001.

66. McCormick PC: Management of Difficult Spine Lesions with Novel Spine Approaches. Seminar Speaker. Annual Meeting, Congress of Neurological Surgeons, San Diego, 9/2001.
67. McCormick PC: Evidenced Based Treatment Guidelines: An Introduction. Invited Speaker. Annual Meeting. Congress of Neurological Surgeons, San Diego, 9/2001.
68. McCormick PC: Comprehensive Approaches and Risks to the Treatment of Spinal Cord Tumors. Seminar Moderator. Annual Meeting, American Association of Neurological Surgeons. Chicago, 4/ 2002.
69. McCormick PC: Complications in Complex Spine Surgery. Seminar Moderator. Annual Meeting. American Association of Neurological Surgeons, Chicago, 4/2002.
70. McCormick PC: Invited Discussant (Laposcopic Anterior Lumbar Interbody Fusion. Lefkowitz et al). Annual Meeting. American Association of Neurological Surgeons, Chicago, 4/2002.
71. McCormick PC: Medical Management of Acute Spine Cord Injury. Invited Speaker. Annual Meeting, American Association of Neurological Surgeons, Chicago, 4/2002.
72. McCormick PC: Spinal Cord Surgery. Invited Lecturer. New York Medical College Department of Neurosurgery. 4/26/02.
73. McCormick PC: Cervical Spondylotic Myelopathy: Case Management Perspectives. Invited Speaker. Annual Meeting, Congress of Neurological Surgery, Philadelphia, 9/2002.
74. McCormick PC: The Anatomic Principles of Intradural Spinal Surgery Part I: Intramedullary Lesions. Invited Lecturer. University of Pittsburgh Department of Neurological Surgery 11/10/02.
75. McCormick PC: The Anatomic Principles of Intradural Spinal Surgery Part II: Extramedullary Lesions. Invited Lecturer. University of Pittsburgh Department of Neurological Surgery 11/10/02.
76. McCormick PC: Principles of Spinal Cord Surgery. Invited Lecturer. Mount Sinai Department of Neurological Surgery 2/5/03.
77. McCormick PC: Paraspinal Tumors: Investigations and Surgical Approaches. Invited Lecture. Annual Meeting AANS/CNS Joint Section on Disorders of the Spine and Peripheral Nerves, Tampa, 3/2003.

78. McCormick PC: The Joint Spine Section's Position on the SPORT Trial. Invited Lecture. Annual Meeting AANS/CNS Joint Section on Disorders of the Spine, Tampa, 3/2003.
79. McCormick PC: Intradural Spinal Surgery. Invited Lecturer. Cornell University Department of Neurological Surgery, 3/23/03.
80. McCormick PC: Comprehensive Approaches and Risks to the Treatment of Spinal Cord Tumors. Seminar Moderator. Annual Meeting, American Association of Neurological Surgeons, San Diego, 4/2003.
81. McCormick PC: Complications in Complex Spinal Surgery: Lessons Learned. Invited Speaker. Annual Meeting, American Association of Neurological Surgeons, San Diego, 4/2003
82. McCormick PC: Surgical Considerations in the Management of Dumbbell and Paraspinal Tumors of the Spine. Invited Lecturer. New York University Department of Neurological Surgery, 5/23/2003.
83. McCormick PC: Fundamentals of Evidenced Based Clinical Practice: Clinical Assessment of Spinal Cord Injury. Invited Lecture. Annual Meeting, Congress of Neurological Surgeons, Denver, 10/2003.
84. McCormick PC: The Wrong Science: The SPORT Trial and Its Potential Impact on Neurosurgery. Invited Lecture. Annual Meeting, Congress of Neurological Surgeons, Denver, 10/2003.
85. McCormick PC: ACDF: Anterior Foraminotomy vs. Posterior Foraminotomy- Indications, Techniques, and Results. Invited Lecture. SSAF International Course on Spinal Focus, New York, 12/6/03.
86. McCormick PC: Case Discussions: Cervical Spondylosis. Invited Seminar Panelist. SSAF International Course on Spinal Focus, New York, 12/6/03.
87. McCormick PC: Invited Discussant (Changes in Myogenic Transcranial Motor Evoked Potential Responses during Intramedullary Spinal Cord Tumor Resection Predicts Severity of Postoperative Motor Function.) Annual Meeting, American Association of Neurological Surgeons, Orlando, 5/2004.
88. McCormick PC: Comprehensive Approaches and Risks to the Treatment of Spinal Cord Tumors. Seminar Moderator. Annual Meeting, American Association of Neurological Surgeons, Orlando, 5/2004.

89. McCormick PC: Complications in Complex Spinal Surgery: Lessons Learned. Invited Speaker. Annual Meeting, American Association of Neurological Surgeons, Orlando, 5/2004.
90. McCormick PC: Cervico-Thoracic Spine Case Presentations. Invited Speaker. Annual Meeting, American Association of Neurological Surgeons, Orlando, 5/2004.
91. McCormick PC: Complex Cervical Spine Surgery. Invited Lecturer. Lennox Hill Department of Orthopedic Surgery, 5/2004.
92. McCormick PC: Treatment of Intramedullary Spinal Cord Tumors: Microsurgery and Molecular Biology. Invited Speaker. Annual Meeting, Congress of Neurological Surgeons, San Francisco, 10/2004.
93. McCormick PC: Management of Spinal and Paraspinal Tumors. Invited Speaker. Annual Meeting, Congress of Neurological Surgeons, San Francisco, 10/2004.
94. McCormick PC: Intradural Spinal Surgery. Invited Lecturer. University of Medicine and Dentistry New Jersey (UMDNJ) Department of Neurosurgery 2/2005.
95. McCormick PC: Management of Cervical Paraspinal Tumors. Invited speaker. Annual Meeting, Joint Section on Disorders of the Spine and Peripheral Nerves, Phoenix, 3/2005.
96. McCormick PC: Complications of Complex Spinal Surgery: Lessons Learned. Invited Speaker. Annual Meeting, American Association of Neurological Surgery, New Orleans 4/2005.
97. McCormick PC: Spinal Cord Tumors. Invited Moderator. Annual Meeting, American Association of Neurological Surgery, New Orleans 4/2005.
98. McCormick PC: Cervical and Thoracic Case Presentations. Ask the Experts. Invited Speaker. Annual Meeting, American Association of Neurological Surgery, New Orleans 4/2005.
99. McCormick PC: Invited Discussant (Bryant Cervical Artificial Disc). Annual Meeting, American Association of Neurological Surgery, New Orleans 4/2005.
100. McCormick PC: Principles of Intradural Spinal Surgery. Invited Lecturer. University of San Francisco Department of Neurosurgery, 6/8/2005.
101. McCormick PC: Spinal Cord Surgery. Invited Lecturer. Stanford University Department of Neurosurgery, 6/9/2005.

102. McCormick, PC: Management of Intradural Spinal Tumors. Seminar Moderator. Annual Meeting, Congress of Neurological Surgeons, Boston, 10/2005.
103. McCormick PC: The Artificial Disc. Invited Speaker. Annual Meeting of the American Academy of Neurological Surgeons, California, 11/05.
104. McCormick PC: Evaluation and Management of Degenerative Lumbar Scoliosis. Invited Lecturer. VIII Annual Course on Clinical and Radiology, Guadalajara, Mexico 1/20-1/21, 2006.
105. McCormick PC: Management of Paraspinal Tumors. Invited Lecturer. VIII Annual Course on Clinical and Radiology, Guadalajara, Mexico 1/20-1/21, 2006.
106. McCormick PC: Indications and Techniques of Combined Dorsal and Ventral Surgery of the Cervical Spine. Invited Lecturer. VIII Annual Course on Clinical and Radiology, Guadalajara, Mexico 1/20-1/21, 2006.
107. McCormick PC: Spinal Cord Tumors: Neurosurgical Approaches and Risk Avoidance. Seminar Moderator, Annual Meeting American Association of Neurological Surgeons, San Francisco, 4/06.
108. McCormick PC: Complications and Complex Spine Surgery: Lessons Learned. Invited Speaker, Annual Meeting American Association of Neurological Surgeons, San Francisco, 4/06.
109. McCormick PC: Lumbar Spine Fusion: Indications, Patient Selection, and Current Techniques. Invited Speaker, Annual Meeting American Association of Neurological Surgeons, San Francisco, 4/06.
110. McCormick PC: Cervico-Thoracic Spine Surgery: Meet the Experts. Invited Speaker, Annual Meeting American Association of Neurological Surgeons, San Francisco, 4/06.
111. McCormick PC: Invited Discussant (Radiographic Analysis of Prestige ST Cervical Disc: Results from a randomized Clinical Trial). Annual Meeting, American Association of Neurological Surgery, San Francisco, 4/2006.
112. McCormick PC: Invited Discussant (Spinal Cord Tumors). Japanese American Friendship Symposium- Annual Meeting, American Association of Neurological Surgery, San Francisco 4/2006.
113. McCormick, PC: Management of Intradural Spinal Tumors. Seminar Moderator. Annual Meeting, Congress of Neurological Surgeons, Chicago, 10/2006.

114. McCormick, PC: Surgical Masters Video: Giant Spinal Cord Hemangioblastoma. Invited presentation. Annual Meeting, Congress of Neurological Surgeons, Chicago, 10/2006.
115. McCormick PC: Intradural Spinal Cord Surgery. Invited Lecturer. University of Virginia Department of Neurosurgery, 12/15/2006.
116. McCormick PC: The SPORT Trial: A Critical Review. Invited Lecture. Invited Speaker, Annual Meeting Joint Section on Disorders of the Spine and Peripheral Nerves, Phoenix, 2/07.
117. McCormick PC: Invited Discussant (Natural History of Spinal Cord Cavernomas) Annual Meeting, American Association of Neurological Surgeons, Washington, DC, 4/2007.
118. McCormick PC: Lumbar Spine Fusion: Indications, Patient Selection, and Current Techniques. Invited Speaker, Annual Meeting American Association of Neurological Surgeons, Washington DC, 4/07.
119. McCormick PC: Complications and Complex Spine Surgery: Lessons Learned. Invited Speaker, Annual Meeting American Association of Neurological Surgeons, Washington DC, 2007.
120. McCormick PC: Cervico-Thoracic Spine Surgery: Meet the Experts. Invited Speaker, Annual Meeting American Association of Neurological Surgeons, Washington, DC, 4/07.
121. McCormick PC: Spinal Cord Tumors: Neurosurgical Approaches and Risk Avoidance. Seminar Moderator, Annual Meeting American Association of Neurological Surgeons, Washington, DC, 4/07.
122. McCormick PC: Artificial Disk Replacement: Success or Failure. Invited lecture, Annual Meeting, American Association of Neurological Surgeons, Washington DC, 4/07.
123. McCormick PC: Neurosurgery with the Masters: In my Experience: Spinal Cord Tumors. Invited lecture, Annual Meeting, American Association of Neurological Surgeons, Washington DC, 4/07.
124. McCormick PC: Anatomy of Intradural Spinal Surgery. Invited Lecturer. Emory University Department of Neurosurgery, 5/07.
125. McCormick PC: The SPORT Trial: What Neurosurgeons Need to Know. Invited Lecture GSS II. Annual Meeting, Congress of Neurological Surgeons, San Diego, 9/07.
126. McCormick PC: Spinal Cord Tumors. Seminar Moderator. Annual Meeting, Congress of Neurological Surgeons, San Diego, 9/07.

127. McCormick PC: Chronic Back and Neck pain. Invited Speaker, Neurology Update 2007: A Review Course for the Medical Practitioner, New York, 9/07.
128. McCormick PC: The SPORT trial. Invited Lecturer. Cornell University Department of Neurosurgery Grand Rounds, New York, 10/07.
129. McCormick PC: Intradural Spinal Tumors. Invited lecture. Neurosurgery Update. Mount Sinai School of Medicine, New York, 12/07.
130. McCormick PC: Spinal Cord Surgery. Invited Lecturer. LSU Department of Neurosurgery Grand Rounds, Baton Rouge, 12/07.
131. McCormick PC: The Influence of Industry Sponsorship. Invited Lecture. Annual Lecture, Joint Section on Disorders of the Spine and Peripheral Nerves, Orlando, 2/08.
132. McCormick PC: Complications and Complex Spinal Surgery: Lessons Learned. Invited Speaker, Annual Meeting American Association of Neurological Surgeons, Chicago, 4/08.
133. McCormick PC: Intramedullary Spinal Cord Tumors. Seminar Moderator. Annual Meeting American Association of Neurological Surgeons, Chicago, 4/08.
134. McCormick PC: Cervico-Thoracic Spine Neurosurgery: Meet the Experts. Seminar Moderator. Annual Meeting American Association of Neurological Surgeons, Chicago, 4/08.
135. McCormick PC: Invited Discussant (The Economic Impact of the Prestige® Cervical Disc System: Results from a Randomized Clinical Trial). Annual Meeting American Association of Neurological Surgeons, Chicago, 4/08.
136. McCormick PC: The Principles of Intradural Spinal Surgery. Invited Speaker. Annual Meeting American Association of Neurological Surgeons, Chicago, 4/08.
137. McCormick PC: Evaluation of the SPORT Trial. Invited Speaker. Pain Section Symposium. Annual Meeting American Association of Neurological Surgeons, Chicago, 4/08.
138. McCormick PC: Spinal Cord Surgery. Invited Lecturer. University of California, San Diego Grand Rounds, San Diego, 06/08.
139. McCormick PC: Industry funding: How can we advance patient care through research and continuing medical education? Invited Lecturer. Annual Meeting Congress of Neurological Surgeons, Orlando, 9/08.
140. McCormick PC: Spinal Cord Tumors. Seminar Moderator. Annual Meeting Congress of Neurological Surgeons, Orlando, 9/08.

***Courses and Symposia :***

1. Degenerative Diseases of the Lumbar Spine. Course Instructor. Regional seminar presented by the American Association of Neurological Surgeons. Boston, 7/90.
2. Degenerative Diseases of the Lumbar Spine. Course Instructor. Regional seminar presented by the American Association of Neurological Surgeons. Philadelphia, 10/90.
3. Thoracolumbar Instrumentation. Course Instructor. Practical Course. Annual Meeting of the Congress of Neurological Surgeons. Los Angeles, 10/90.
4. Thoracolumbar Instrumentation. Course Instructor. Practical Course. Annual Meeting of the Congress of Neurological Surgeons. New Orleans, 4/91.
5. Thoracolumbar Instrumentation. Course Instructor. Practical Course. Annual Meeting of the Congress of Neurological Surgeons. Orlando, 10/91.
6. Thoracolumbar Instrumentation. Course Director. Practical Course. Annual Meeting Joint Section on Disorders of the Spine and Peripheral nerves. Miami, 2/92.
7. Consultant's Corner: Spine Surgery Problem Cases - Ask the experts. Seminar panelist. Practical Course. Annual Meeting Joint Section on Disorders of the Spine and Peripheral Nerves. Miami, 2/92.
8. Consultant's Corner: Spine Surgery Problem Cases - Ask the experts. Annual meeting of the American Association of Neurologic Surgeons. San Francisco, 4/92.
9. Thoracolumbar Instrumentation. Course Instructor. Practical Course. Annual Meeting American Association of Neurological Surgeons. San Francisco, 4/92.
10. Thoracolumbar Instrumentation. Course Instructor. Practical Course. Annual Meeting of the Congress of Neurological Surgeons. Washington D.C., 10/92.
11. Consultant's Corner: Spine Surgery: Problem Cases - Ask the Experts. Seminar panelist. Annual Meeting of the Congress of Neurological Surgeons. Washington, D.C., 10/92.
12. Thoracolumbar Instrumentation. Course Director. Practical Course. Annual Meeting Joint Section on Disorders of the Spine and Peripheral Nerve. Tuscon, AZ, 2/93.
13. Consultant's Corner: Spine Surgery: Problem Cases - Ask the Experts. Seminar panelist. Annual Meeting of Joint Section on Disorders of the Spine and Peripheral Nerve. Tuscon, 2/93.

14. Surgical Exposure of the Spine - Hands on Course Instructor. AANS Instructional Course, Albuquerque, 11/93.
15. Cervical Spine Instrumentation. Course Instructor. Practical course - Annual Meeting AANS. San Diego, 4/94.
16. Advanced Thoracic and Lumbar Spine Management - Hands on. Course instructor. Professional Development Course AANS. New Orleans, 3/95.
17. Cervical Spine Instability: Instrumentation and Other Methods of Management. Practical Course. Annual Meeting AANS, Orlando, 4/95.
18. Advanced Thoracic and Lumbar Spine Management - Hands on. Course Instructor. Professional Development Course AANS. Chicago, 11/95.
19. Advanced Thoracic and Lumbar Spine Management - Hands on Course Instructor. Professional Development Course AANS. New Orleans, 3/96.
20. Cervical Spine Stabilization: Course Instructor. Practical Course. American Association of Neurological Surgeons, 4/96.
21. Stabilization of the Thoracolumbar Spine: Course Instructor. Practical Course. American Association of Neurological Surgeons, 4/96.
22. Eight Annual International Spine Workshop for Orthopedic and Neurological Surgeons. Hands on. Course Instructor. Bethesda, 6/96.
23. Advanced Thoracic and Lumbar Spine Management: Hands on. Course Instructor. Professional Development Course – American Association of Neurological Surgeons Chicago 10/96.
24. Outcomes Research: The Future of Surgery. Symposium II Joint Section on Disorders of Spine and Peripheral Nerves. Symposium Director and Moderator. Newport, CA 2/97.
25. Staying on the Frontline of Health Care Delivery. Interdisciplinary Approaches and Expansion Opportunities: Special Symposium American Association of Neurological Surgeons Annual Meeting, Denver, 4/97.
26. Surgical Exposure of the Thoracic and Lumbar Spine. Hands on. Course Director. Annual Meeting Congress of Neurosurgical Surgeons, New Orleans, 9/97.

27. Surgical Exposure of the Thoracic and Lumbar Spine. Hands on. Course Instructor. Annual Meeting American Association of Neurological Surgeons, Philadelphia, 4/98.
28. Surgical Exposure of the Thoracic and Lumbar Spine. Hands on. Course Director. Annual Meeting Congress of Neurological Surgeons, Seattle, 10/98.
29. Surgical Exposure of the Thoracic and Lumbar Spine. Hands on. Course Instructor. Annual Meeting American Association of Neurological Surgeons, New Orleans, 4/99.
30. Surgical Exposure of the Thoracic and Lumbar Spine. Hands on. Course Director. Annual Meeting Congress of Neurological Surgeons, Boston, 10/99.
31. The 21<sup>st</sup> Century Neurosurgical Organization. Course Director. Annual Meeting, American Association of Neurological Surgeons, San Francisco, 4/2000.
32. Spinal Instrumentation for Residents. Course Instructor Annual Meeting. American Association of Neurological Surgery. Toronto, 4/2001.
33. Special Course II: Master Surgeon, Cervical: Minimizing Complications in Cervical Surgery. Annual Meeting AANS/CNS Joint Spine Section San Diego, 3/04.
34. Neurosurgery 2007: Literature Review. Course Director. Practical Clinic. Annual Meeting Congress of Neurological Surgeons, San Diego, 10/2007.
35. Oral Board Preparation. Instructor. Practical Clinic, Annual Meeting Joint Spine on Disorders of the Spine and Peripheral Nerves, Orlando, 2/08.
36. Neurosurgery 2007: Literature Review. Course Director. Practical Clinic. Annual Meeting Congress of Neurological Surgeons, Orlando, 09/2008.
